

Your Legacy in Teso

If you have been a supporter of the Teso Development Trust you already will have a strong legacy in the Teso Region of Uganda through the work that has been undertaken with your support.

You may have helped sink a well, helped someone start a business, provided a life-changing operation or given vital education.

If you leave a gift in your Will however, your impact on Teso will continue as you give TDT the power to change yet more lives in this needy area of the Africa that you have shown such care for in the past.

A legacy gift can be the most important gift you will ever make and will reflect the things that matter to you most.

If you decide to make a legacy gift to TDT we will ensure that your legacy is used to provide for the vulnerable in Teso, to help them and their families build less fragile lives.

Legacy gifts are exempt for the purposes of Inheritance Tax

We would be very grateful if you could let us know that you are planning to leave a gift to TDT in your Will. This will enable us to recognise your kindness appropriately and to make sure that you remain fully engaged in the activities of the Trust and our plans for the future.
